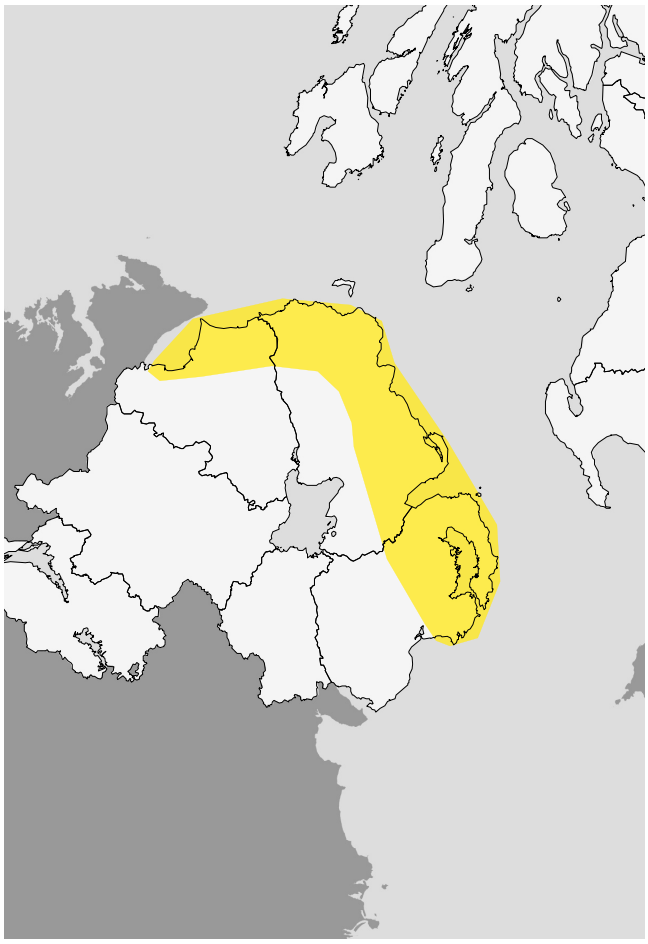
Yellow warning
Ice

Between
17:00 Thu 30 Nov 2023 and
10:00 Fri 1 Dec 2023



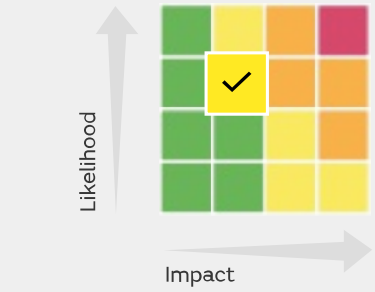
Further showers, these wintry mainly at first, will lead to icy patches developing overnight.

What to expect

- Probably some icy patches on some untreated roads, pavements and cycle paths, increasing the chance of injuries and accidents

Further details

It will be another cold night with icy patches forming following showers this evening, the odd shower continuing overnight. Some sleet or snow possible in the showers, mainly at first.



Medium likelihood of low impacts

Issued at 10:22 Thu 30 Nov, 2023
